Dear Hiring Manager,

I am contacting you to express my interest in the Data Analyst opportunity in your company. After reviewing the position requirements, I believe that my qualifications and education are a great match.

I am a quick learner with abilities in python, javascript and tableau. I understand the value of time management and clear communication to get projects done right. My adaptability to work in many different environments will be an asset to your team.

If you could give me a call, that would be great. I'm really interested in working for your company, and I hope you'll consider me for the position.

Sincerely,

Roopavathy Thatiparthi
